No. 2

### Velora Botique Hinge

Purpose built for slim aluminium doors, this hinge supports refined design without compromising on performance.

No. 3

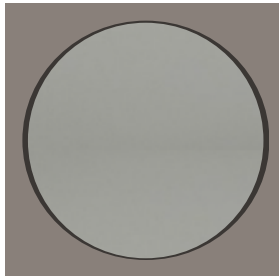

## Velora Range

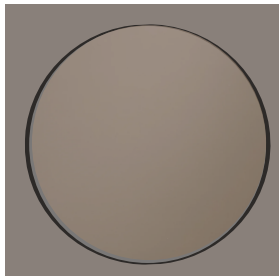

Aluminium frame doors are emerging as a key kitchen trend this year, valued for their slim, architectural look and ability to incorporate glass or textured inserts. Beyond the aesthetic, aluminium offers long term durability and stability, making it a practical choice for high use areas. They add lightness, and detail, turning cabinetry into a refined design feature rather than just a functional element.
